- ⇒ **HB 4380**-This bill increases the number of ten-passenger vehicles which may be used for any school-sponsored activity and clarifying that busses shall be used to transport nineteen or more passengers. This legislation could take extra duty runs from bus operators by allowing professional school employees to drive two vehicles with up to 9 students in each vehicle. This was amended to allow service personnel to drive the vans. It also allows parents/guardians to transport students with signed permission. **(Delegate Barrett)**
- ⇒ **HB 4562**-The purpose of this bill is to clarify the process of the suspension and dismissal of school personnel by board and the appeals process. This Legislation simply codifies the suspension and administrative leave process that is currently used in the school system. **( Delegate Kessinger)**
- ⇒ **SB 531**-Increasing annual salaries of certain state employees. This legislation provides for a 5% pay increase for all state employees with a Pay Scale in WV state code. This includes service personnel, they will receive \$122.00 a month. Similar to recent pay increases the 5% is based on a low average of service personnel salaries. **(Governor Justice)**

### **Defeated Legislation:**

- ⇒ **SB 230**-The purpose of this bill is to require a notarized grievance form and outline the grievance motion to dismiss procedure. This would also provide for the payment of attorney's fees up to \$1000 if the ALJ found the grievance was frivolous or malicious. This would prohibit a grievance if the event is related to a declared state of emergency. In addition the Department of Personnel cannot be named in a grievance. **(Rucker)**

## Active Legislation: Moving through Floor Votes

- ⇒ **SB 261**-The purpose of this bill is to clarify procedures for cameras in special education classrooms. This bill would require an administrator to review at least 15 minutes of video every 90 days, video footage must be kept for a calendar year, video footage does not have to be deleted, and video footage must be made available within 7 days when requested by DHHR or law enforcement. **This bill has passed the Senate and House.
